

BENWAY SCHOOL

2021-2022 SCHOOL YEAR

Dear Parent/Guardian:

The Benway School photographer has the ability to take professional quality student and staff portraits in school, therefore, we no longer use a professional photographer, which will result in a direct savings to you.

We will be able to email your child's pictures to you and you can then decide which of the following you would like to do: print copies on your own computer, order them online or put them on a flash drive and take them to a store that has a photo machine such as CVS, Walgreens or Walmart.

Please supply us with your name and the email address where you would like the pictures sent.

Student Name: _____

Parent Name: _____

Email Address: _____

If you do not have an email address and/or you would prefer to have the pictures on flash drive, please supply us with a brand new flash drive in the original packaging. This will prevent any possibility of spreading a computer virus.

Thank you for your cooperation.
